

# ***SQGC:*** ***SUPER*** ***QUICK GUN*** ***CLIP***

SUPER QUICK GUN CLIP is designed to be the holster for your long guns. Now you can safely tuck away your Rifle, Shotgun, AR-15, M-4, M-16, or any other firearm that has a sling.

SQGC was designed for Ease of use, Safety in the field in that the muzzle is pointed in a safe position,

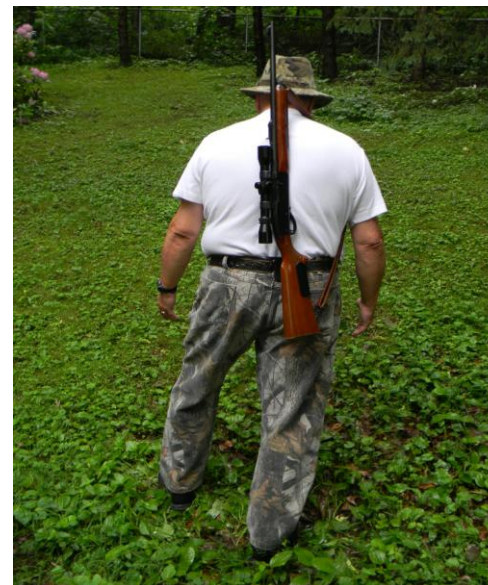

your fingers are off the Trigger, and you have both hands free to aid you in climbing, crossing fences, creeks, or just plain walking. Ideal for all hunters, especially the young, or beginning hunter, or a hunter with disabilities, also well suited for riding your ATV, or off road bike. Duck hunters love the hands free carry of their shotgun while placing their decoys Use SQGC whenever you hunt with your long gun and need both hands free for other things.

SQGC is designed to allow you to bend over, climb, jump, cross fences or to pick up anything from the floor / ground without having your firearm falling from your shoulder. You can climb up to your tree stand, or move your tree stand up into position, all the while your firearm is properly clipped in the gun clip where it will stay until you are ready to use it.

**NO MORE DAMAGED RIFLES**
